STAFF NEWS

We would like to welcome to the Practice our newest staff members.

Alison Williams and James Fletcher who are our Trainee Advanced Practitioners

22-28 January is Cervical Cancer Prevention week
Please visit our website for more information

VACCINATION UPDATE

If you still haven't had your flu vaccination and you are over 65 or in one of the at risk groups (*diabetes, heart disease, COPD, asthma, kidney disease*) then book an appointment today with the receptionist as these are still available. We also vaccinate children who are at particular risk of flu and healthy 2 and 3 year olds with the nasal flu.

PATIENT PARTICIPATION GROUP

The Group meet every 3 months to discuss future plans for the surgery and get patient's input. We are always seeking new members, **if you have time to spare and would like to join our Patient Participation Group please register an interest at reception.**

ONLINE SERVICES

Are you registered to use our Online Services? You can now book and cancel appointments online and order prescriptions. If you are not registered please speak to one of our receptionists who will be happy to help you do this.
